JULIA ANN MERCER, Residence 5200 Belmont, Apartment 208, Dallas, Texas, who is employed at the Automat Distributors, 1720 Canton Street, Dallas, was shown a group of photographs which included a photograph of JACK RUBY. MERCER could not identify any of the photographs as being identical with the person she had observed slouched over the wheel of a green Ford pickup truck parked about 10:50 AM at a point near the place where President KENNEDY was assassinated on November 22, 1963.

She then was shown a photograph of RUBY, and she advised the person in the truck had a rather large round face similar to RUBY's, but she could not identify him as the person.

She then was shown a photograph of LEE HARVEY OSWALD, and she stated that OSWALD was of the same general build, size and age as the person who took a long package from this truck, but she also could not identify him as being the one who took the package from the truck.
